## EXPERIENCE

### Michigan Medicine HITS, Ann Arbor MI — *Computer Operator*

JULY 2022 - PRESENT

- Assisting in the campus-wide wireless network upgrade by delivering wireless access point units to remote sites, conducting surveys of wireless coverage within the main medical campus, and creating coverage maps.
- Perform upkeep of HITS communications closets throughout the medical campus. Tasks include cleaning, moving, and operating equipment.
- Acted as clerk for the main Michigan Medicine Datacenter, managing incoming shipments, monitoring the property, and controlling physical access to the building.

### Self-Employed, Ann Arbor MI — *Freelance Graphic Designer*

JULY 2020 - PRESENT

- Designed graphics assets for a variety of clients, communicating with them in order to visually realize their brand identities.
- Created pamphlet covers, planner designs, and other graphics for Huron High School items which were distributed to nearly the entire student body.

## VOLUNTEER WORK

### City of Ann Arbor — *Election Inspector*

Operated the digital pollbook at my local polling places throughout the 2020 primary and presidential elections and the 2022 primary election, processing an average of 500 voters each election.
